

Camp near St. Johns
Nov. 3?

I have the pleasure to acquaint
you my dear Janet, that St. Johns
was surrendered yesterday evening today
we take possession & tomorrow his
Majesty's troops set off for Connecticut

- I am well & in tolerable good spirits
- If I live you may depend upon it I
will see you this winter - being heartily
tired of my importance, I wish most
anxiously to drop into my former
obscurity - Adieu

I believe me yours &
most affectionately
